Education

Manipal University Jaipur (MUJ), India **2023 - 2027**
- Branch | CGPA: **9.61** (expected)

St. Paul's School, India **2020 - 2022**
- *ISC(Class XII), Aggregate: 87.8%*

St. Paul's School, India **2019 - 2020**
- *ICSE (Class X), Percentage: 90.2%*

Skills

C++ | C | Java| Javascript | NodeJS | React | PostgreSQL | Blockchain | MySQL | Git | Github | HTML | CSS

Work Experience

Excelerate | Cybersecurity Intern **June'23 - Jul'23**
- During my internship, I gained valuable experience working with industry-leading software such as Wireshark, iftop, nmap and many more. By actively contributing to network security measures, I played a crucial role in protecting sensitive data and identifying potential vulnerabilities. Assisting in vulnerability assessments and penetration testing

Excelerate | Digital Marketing Intern **April'23 - May'23**
- Conducted a social media analysis and provided actionable insights to our client, GlobalShala. This helped enhance their online reach and engagement.

Projects

Project 1 **Feb'19**
PG/Hostel Rating Website
- For a hackathon project, I developed a PG/Hostel Rating Website that allows users to browse, rate, and review hostels and PG accommodations based on various criteria such as cleanliness, security, and affordability. This platform helps potential residents make informed decisions by viewing real-time feedback and ratings from other users.

Academic and Extracurricular Achievements

- **Secured 3rd Position in Swap Board organized by MUJ ACM Chapter.**
- **Awarded with Dean List in my 1st and 2nd semester in my college for securing 9+ Sgpa.**
